Dear Dr. Blackman:

I am pleased to inform you that Brookhaven Community College has received the rating of "ACCREDITED" under the Accountability System for Educator Preparation (ASEP). This rating is issued for the period of September 1, 2005 through December 31, 2006 by the State Board for Educator Certification under the authority of Texas Education Code §21.045.

Accreditation ratings are based on performance standards established by the Board and are issued annually to each educator preparation program in Texas. The standards represent successful performance by a program's candidates on the examinations required for certification as an educator.

On behalf of the Board, as well as the citizens and students of Texas, I congratulate your program on its success. Thank you for the contributions of your program in preparing the future educators of Texas.

Sincerely,

Karen L. Loonam
