DALLAS COUNTY COMMUNITY COLLEGE DISTRICT

# 9th Annual DCCCD Sustainability Summit

**Host Location:** Eastfield College, 3737 Motley Drive, Mesquite, Texas 75150

**Date:** Friday, November 8, 2019

**Time:** 8 a.m. – 4 p.m.

## About the event

- An all-day sustainability event with inspiring speakers, engaging breakout sessions and networking opportunities
- Engage with 400+ students, staff and the community
- Promote your company's support of economic, social and environmental sustainability.
- Partner with DCCCD to promote and support the 17 Sustainable Development Goals (SDGs)

## Summit Highlights

**2019 Theme:** Sustainability as a Social Justice Practice: Developing Resilient Strategies

### Tracks

- Social Equity
- Teaching Sustainability
- Institutionalizing Sustainability
- Resource & Energy Efficiency
- Facilities Management

### About DCCCD

- 50+ years part of the North Texas community
  - 150K+ students attend DCCCD each year
  - 7 accredited colleges: Brookhaven, Cedar Valley, Eastfield, El Centro, North Lake, Mountain View and Richland
  - 2 million + students served since 1965
- 

## DCCCD is committed to sustainability

For more than 50 years the Dallas County Community College District (DCCCD) has helped identify and deliver solutions to real-life challenges faced by individuals, employers and the community. Our goal is to build a healthy and sustainable future for Dallas County and its citizens.

DCCCD is committed to becoming an environmental leader within the community by continually advocating the responsible use of natural, financial and human resources through mindful education and action.

## DCCCD Sustainable Activities (Not limited to the following)

- All colleges and DCCCD facilities participate in a recycling program
- 10% of the electricity used by DCCCD come from renewable energy and we're working towards 100% renewable energy
- Systemwide upgrade to more energy efficient lamps, and beginning transition to LED lighting

## The 7 Colleges Green Highlights

- **Brookhaven College** - Windmill Garden for native plants and pollinators
- **Cedar Valley College** - 2016 winner of the Green Genome and the Sustainability Achievement Award; Experiential learning opportunities
- **Eastfield College** - 6 Consecutive Years as a Tree Campus USA
- **El Centro College** - LEED Lighting and rooftop wind farm
- **Mountain View College** - Earned Tree Campus USA in 2016 and Aquaponics lab with three closed loop systems
- **North Lake College** - Three USGBC-LEED Silver Level campus initiatives for energy efficiency
- **Richland College** - 2016 Champions of Recycle-mania, LEED Platinum Architectural Portfolio

## Why should you partner with DCCCD for the 2019 Sustainability Summit?

We ask that you consider the sponsorship opportunities for the Sustainability Summit which allows for you to increase your visibility, expand your marketing reach and make new memories at DCCCD. This partnership and investment will also allow the DCCCD Sustainability Team to reach new heights as well as an opportunity to expand your footprint within the community as we continue to lead the way in Community College educational excellence. Please review the attached package regarding the sponsorship opportunities for the 2019 Sustainability Summit.
