	<p>Score: When you log in the center square has an icon that looks like the figure to the left. As you complete elements within the platform, your score will increase. If you are looking for clues you can always click on the center square and it will show what you have completed and suggest activities for you to complete.</p>
	<p>My Profile: All students will be able to develop a visual profile that will showcase your work history, academic accolades and extracurricular information. The visual profile is a new and unique way to share your information with employers, but it does not replace a traditional résumé. Your visual profile serves as a platform for employers to experience what you have to offer and provides them with access to your résumé. Access My Profile from the left navigation menu or the lower left square on the home page. We encourage you to begin building your visual profile today.</p>
	<p>Connections: Our new modern and intuitive platform allows you to search for employers, follow them for alerts of their on-campus activity and see their posted employment opportunities. You can also connect with the Career Development Center to setup an appointment to learn more ways to help prepare for internships and job opportunities. Purple Briefcase has hundreds of career preparation videos for you to watch and comment on, forums for connecting to great career advice, Career Development Center event postings that you can RSVP to, and most importantly: internship and job postings!</p>
