

ARTS, HUMANITIES, COMMUNICATION & DESIGN

GUIDED PATHWAY: VISUAL COMMUNICATIONS – ENHANCED SKILLS CERTIFICATE

For more information, visit www.dcccd.edu/visualcom and your academic advisor at Brookhaven College.

The Visual Communications AAS is a requirement prior to or concurrent with this Enhanced Skills Certificate. For official certificate requirements, [click here](#).

The Visual Communications Enhanced Skills Certificate ⁱⁱ attached to the Visual Communications Associate Degree provides high school graduates in an Articulated/Dual Technical Credit program the opportunity to acquire advanced skills required by the industry. This certificate is primarily for students who begin our program in their junior and senior years in high school through an affiliated Articulated/Dual Credit agreement.

A student must select one of the Specialized Tracks to be awarded the enhanced skills certificate. The Enhanced Skills Certificate is based on three areas of specialization, Communication Design (Track A), Interactive Media (Track B) and Web Design (Track C). Courses that complete the Certificate (ES) are noted below.

Visit www.ntxccc.org/pathways to view guided pathways created for students who complete an AAS degree and the options for transfer to complete a Bachelor of Applied Arts and Science. Speak with an academic advisor at your college to choose courses that will help you to transfer to a specific university.

ONLY Offered at BHC
