<sup>1</sup> Degree plans may change in later catalogs. You may use this pathway if you entered Brookhaven on or before this date.

\* You may take a different course to meet this requirement. A specific list is available from your advisor.

C This course counts for the Core Curriculum at any public college or university in Texas. Sometimes, taking a specific course to meet a Core requirement will also fulfill other requirements for your degree. If this course meets more than one requirement it is listed as the correct option (with no asterisk).

@ The College of Arts & Sciences requires students to:

1. Attain Intermediate II level of proficiency in a foreign language.
2. Complete at least 9 hours of laboratory science (including at least 6 hours in the university core) with at least one course in the natural and life sciences and at least one course in the physical sciences.
