The Bachelor of Science in Accounting (BS Accounting) at the Naveen Jindal School of Management is a 120 semester credit hour degree program that provides students a broad-based education balancing accounting concepts with practical knowledge. The program develops accounting professionals who understand the role of information in organizations and financial markets, have the necessary skills to integrate financial analysis and possess analytical and management skills.

Students may work toward a Certified Public Accountant (CPA) certification or focus in one of six career areas:

- Management / Cost Accounting
- Audit
- Internal Audit
- Governmental and Not-for-Profit Accounting
- Accounting Information Systems
- Tax
