Approved Upper-Level BA Elective	Approved Upper-Level Elective
Elective	Elective

The Bachelor of Science in Business Administration (BSBA) at Naveen Jindal School of Management is a 120 semester credit hour degree program that prepares you for an exciting career in business. The degree program provides you with highly specific skills across functional areas of business and a wide range of student-centered engagement activities that encourage students to apply knowledge and practice skills. We do this by creating internships, case competitions, student clubs, mentoring programs, industry speakers and forums, and company-specific projects that will prepare you for the challenges of the business world.

Concentrations

Organizational Behavior and Human Resources: Explores the behaviors and motivations of individuals within an organization and how to effectively lead and manage an organization.

Innovation and Entrepreneurship: Focuses on the processes of innovation and new venture development in both established organizations and startup ventures.

Real Estate Investment Management: Provides students with an exploration of the real estate industry, focusing on investments, risk and financing.

General Business: Provides a solid understanding of business fundamentals and offers the flexibility needed in many environments. This concentration frequently is favored by those interested in law school or other master's programs.
