The Bachelor of Science in Finance (BS Finance) is a 120 semester credit hour degree program at the Naveen Jindal School of Management that offers students practical and theoretical training in financial decision making. Students will learn the quantitative skills required to analyze financial information and the problem-solving skills.

The program provides students with opportunities to participate in Financial Leadership Association or the Student Fund, a UT Dallas Domestic Fund for undergraduates. Students also gain real-world experience by competing in nationally recognized finance competitions. These competitions allows students to apply the knowledge gained in the classroom by participating in both local and national case competitions.

Students typically choose one of the six following tracks (optional).

- Corporate Finance
- Investment
- Personal Financial Planning
- Real Estate and Investment Management
- Insurance
- Financial Institutions
