

YOUR RESPONSIBILITY AS A PLAYER

1. Know when and where you play.
2. Be dependable.
3. Be there on time with your student ID card.
4. Know all the rules.
5. Respect and abide by the decisions of the game officials.

PLAYER CONDUCT

Profane language, taunting, baiting or any other verbal harassment is an automatic unsportsmanlike conduct penalty or technical foul. The player is automatically ejected upon receiving a second unsportsmanlike penalty or technical foul. The game will be forfeited when one team receives a total of 3 unsportsmanlike penalties or technical fouls.

Verbal misconduct by players or spectators will not be tolerated no matter the intent or direction of it. Using vulgarity, ridiculing, pointing a finger, making obscene gestures or any manner of taunting or baiting an opponent is a great disservice to an intramural program and such infractions will be penalized. If a player is disqualified, they may not play in another intramural game until he/she is reinstated by the intramural director. Upon reinstatement, if a player is ejected from another intramural contest, he or she will be banned from all intramural activities for the remainder for the academic semester. Also the players name and ID number will be forwarded to the proper college authorities for further investigation into school policy violations. All decisions on school suspension and probation will be decided by the appropriate administrators.

Fighting by any player is an automatic disqualification from the game. Any fighting or physical violence will be treated as an assault crime and referred to the campus police for future investigation. Players involved will have their names and ID numbers sent to the director of Student Life and the campus administrator responsible for student conduct.

ELIGIBILITY

All players must be students or employees of Brookhaven College. To be eligible to play, you must be on your team roster and must read and sign this player contract. All student players must show a valid current semester student ID card to prove eligibility status.

ASSUMPTION OF RISK

Intramural sports at Brookhaven College are voluntary activities in which no one is required to participate. The individual player must accept the risk of injury for any intramural activity he/she enters. Brookhaven College, the Physical Education Division, the Office of Student life and the director of intramurals assume no responsibility for any injury you may receive during an intramural activity. First aid will be given on the spot, and the person will be taken to the college Health Services Center for treatment, if necessary.

RELEASE OF RESPONSIBILITY

I, the undersigned, hereby release and discharge Brookhaven College, its agents, employees and officers from all claims, demands, actions and judgments which I may have, or claim to have, against the above parties, for all personal injuries arising out of intramural sports competition.
